GENERAL INFORMATION

NOTE: When an emergency arises, do not dial 9-1-1! The emergency center screen would not show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through The University of Memphis Police Services dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Police Services will have the caller's location displayed. This procedure ensures emergency aid routing to the correct location.

LOOKING UP E-MAIL ADDRESSES ON THE UNIVERSITY OF MEMPHIS WEB PAGE

1) Go to the University's home page, http://www.memphis.edu, and find the search box in the upper-right corner.
2) Type in the name of the person you are looking for (full or partial).
3) Click on the radio button next to "People" below the search box.
4) Click on the "Go" button to submit your requested information.

IMPORTANT NOTICE REGARDING DIRECTORY INFORMATION

The following student information has been designated "Directory Information" by University officials: name, address, telephone number, date and place of birth, academic major, dates of attendance, degrees(s) awarded and the most recent previous educational institution attended by the student. This information will be released upon request to interested parties unless the student has provided a signed statement to the Records Office, 115 Administration Building, within 14 days of the beginning of classes each semester requesting that such information not be released.

CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities at The University of Memphis, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Our campus radio station, WUMR (FM 91.7), will be notified first. Also, the University's Information Line (678-0888) and Web Site will have official statements. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each University division. Cancellations may not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (U of M Policy UM1531)

THE DRUG-FREE SCHOOLS AND COMMUNITIES ACT (UNIVERSITY POLICY 1:2D:05:13)

Students and employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, use or being under the influence of controlled substances (illicit) drugs and/or alcohol on The University of Memphis campus or on property owned or controlled by The University of Memphis or as a part of any University-sponsored activities.

All students and employees are subject to applicable laws related to this matter and any violation of this policy will result in disciplinary action up to and including expulsion or termination of employment with the University and referral for prosecution or mandatory satisfactory participation in a drug/alcohol abuse assistance or rehabilitation program.

The University of Memphis is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor's, first professional, master's, educational specialist's and doctor's degrees.

TELECOMMUNICATIONS SERVICES

Telecommunications Office • 101 Jones Hall • 678-2999

- Faculty and staff should get to know their Communications Counselor. One person in each department is specially trained to coordinate most departmental telecommunications needs with the Telecommunications Department.

- Voice Mailboxes are provided to all faculty and staff. Contact your departmental Communications Counselor for details.

- Cellular Phones & Pagers can be provided to faculty and staff for departmental use. Contact your departmental Communications Counselor for details, or phone us at 678-2999.

- 678-FAXX is the FAX number to give out if you don't have your own fax machine. We'll call you when the fax has been received to ask if you want it delivered to you via campus mail or if you'd rather come pick it up at the Telecommunications Department in Jones Hall, Room 101. Outgoing faxes may be sent at the Copy Center.

- Conference Calls with three or fewer parties can be set up on your phone without assistance. For conference calls with four to six parties, call the Operator at 678-2000 for assistance. For larger groups, a portable teleconference telephone is available. Call us at 678-2999 for details.

- Tigerline Long Distance Calling. Long distance calls may be placed from campus phones by persons assigned a Tigerline authorization code (see long distance dialing instructions below). Tigerline cards may be issued to faculty and staff for departmental long distance calling, and to faculty, staff and students for personal long distance calling from on campus.

Preparing for an Emergency Makes Sense.

The likelihood that you and your family will survive a house fire depends as much on having a working smoke detector and an exit strategy, as on a well-trained fire department. The same is true for surviving a terrorist attack or other emergency. We must have the tools and plans in place to make it on our own, at least for a period of time, no matter where we are when disaster strikes. Just like having a working smoke detector, preparing for the unexpected makes sense. **Get ready now.**

1 Get a Kit
of Emergency Supplies

Be prepared to improvise and use what you have on hand to make it on your own for **at least three days** (maybe longer). While there are many things that might make you more comfortable, think first about fresh water, food and clean air.

Consider two kits. In one, put everything you will need to stay where you are and make it on your own. The other should be a lightweight, smaller version you can take with you if you have to get away.

You'll need a gallon of **water** per person per day for drinking and sanitation. Include in the kits a three day supply of non-perishable **foods** that are easy to store and prepare such as protein bars, dried fruit or canned foods. If you live in a cold weather climate, include **warm clothes** and a sleeping bag for each member of the family.

Some potential terrorist attacks could send tiny microscopic "junk" into the air. Many of these materials can only hurt you if they get into your body, so think about creating a barrier between yourself and any contamination. It's smart to have something for each member of the family that covers **their mouth and nose**, such as two to three layers of a cotton t-shirt, handkerchief or towel or **filter masks**, readily available in hardware stores. It is very important that the mask or other material fit your face snugly so that most of the air you breathe comes through the mask, not around it. Do whatever you can to make the best fit possible for children.

Also include **duct tape and heavyweight garbage bags or plastic sheeting** that can be used to seal windows and doors if you need to create a barrier between yourself and any potential contamination outside.

2 Make a Plan
For What You Will Do in an Emergency

Plan in advance what you will do in an emergency. Be prepared to assess the situation. Use common sense and whatever you have on hand to take care of yourself and your loved ones.

Develop a Family Communications Plan. Your family may not be together when disaster strikes, so plan how you will contact one another and review what you will do in different situations. **Consider a plan where each family member calls, or e-mails, the same friend or relative in the event of an emergency.** It may be easier to make a long distance phone call than to call across town, so an **out-of-town contact** may be in a better position to communicate among separated family members. Be sure each person knows the phone number and has coins or a prepaid phone card to call the emergency contact. You may have trouble getting through, or the phone system may be down altogether, but be patient.

Depending on your circumstances and the nature of the attack, the first important decision is whether you stay put or get away. You should understand and plan for both possibilities. Use common sense and the information you are learning here to determine if there is immediate danger. **Watch television and listen to the radio for official instructions as they become available.**

Create a Plan to Shelter-in-Place.
There are circumstances when staying put and creating a barrier between yourself and potentially contaminated air outside (a process known as shelter-in-place and sealing the room) can be a matter of survival. **If you see large amounts of debris in the air, or if local authorities say the air is badly contaminated, you may want to shelter-in-place and seal the room. Consider precutting plastic sheeting to seal windows, doors and air vents.** Each piece should be several inches larger than the space you want to seal so that you can duct tape it flat against the wall. Label each piece with the location of where it fits.

Use all available information to assess the situation. If you see large amounts of debris in the air, or if local authorities say the air is badly contaminated, you may want to shelter-in-place. Quickly bring your family and pets inside, lock doors, and close windows, air vents and fireplace dampers. Immediately turn off air conditioning, forced air heating systems, exhaust fans and clothes dryers. Take your emergency supplies and go into the room you have designated. Seal all windows, doors and vents. Understand that sealing the room is a temporary measure to create a barrier between you and contaminated air. Watch TV, listen to the radio or check the Internet for instructions.

Create a Plan to Get Away.
Plan in advance how you will accomplish your family and anticipate where you will go. **Choose several destinations in different directions** so you have options in an emergency.

If you have a car, keep at least a half-tank of gas in it at all times. Become familiar with alternate routes as well as other means of transportation out of your area. If you do not have a car, plan how you will leave if you have to. Take your emergency supply kit, unless you have reason to believe it is contaminated and lock the door behind you. Take pets with you if you are told to evacuate, however, if you are going to a public shelter, keep in mind they may not be allowed inside. If you believe the air may be contaminated, dive with your windows and vents closed and keep the air conditioning and heater turned off. Listen to the radio for instructions.

Know Emergency Plans at School and Work.
Think about the place where your family spends time: school, work and other places. Know family routines. Talk to your children's schools and your employer about emergency plans. Find out how they will communicate with families during an emergency. If you are an employer be sure you have an emergency preparedness plan. Review and practice it with your employees. A community working together during an emergency also makes sense.

Talk to your neighbors about how you can work together.

3 Be Informed
About What Might Happen.

Some of the things you can do to prepare for the unexpected, such as assembling a supply kit and developing a family communications plan, are the same for both a natural or man-made emergency. However there are significant differences among potential terrorist threats, such as biological, chemical, explosive, nuclear and radiological, which will impact the decisions you make and the actions you take. By beginning a process of learning about these specific threats you are **preparing yourself** to react in an emergency. Go to **www.ready.gov** to learn more about potential terrorist threats and other emergencies or call 1-800-BE-READY (1-800-237-3239) for a free brochure.

Be prepared to adapt this information to your personal circumstances and make every effort to follow instructions received from authorities on the scene. With these simple preparations, you can be ready, for the unexpected. **Get ready now.**

4 Get Involved
in Preparing Your Community.

After preparing yourself and your family for possible emergencies, take the next step and get involved in preparing your community. Join **Citizen Corps**, which actively involves citizens in making their communities and the nation safer, stronger and better prepared. We all have a role to play in keeping our hometowns secure from emergencies of all kinds. Citizen Corps works hard to help volunteers prepare, train and volunteer in their communities. Go to **www.citizencorps.gov** for more information and to get involved.

Recommended Supplies to Include in a Basic Kit:

- **Water** one gallon per person per day, for drinking and sanitation
- **Food** at least a three-day supply of non-perishable food
- **Battery-powered radio** and **extra batteries**
- **Flashlight** and **extra batteries**
- **First Aid kit**
- **Whistle** to signal for help
- **Filter mask** or cotton t-shirt, to help filter the air
- **Moist towelettes** for sanitation
- **Wrench or pliers** to turn off utilities
- **Manual can opener** for food (if kit contains canned food)
- **Plastic sheeting and duct tape** to shelter-in-place
- **Garbage bags and plastic ties** for personal sanitation
- **Unique family needs**, such as daily prescription medications, infant formula or diapers, and important family documents

Want to concentrate more on your education and less about your finances?

Get up to $100,000 for school.

Student Line-of-Credit

Get approved for the total amount you need for your education—up to $100,000 and then obtain the cash you need when you need it. It is flexible, easy-to-access and allows you to request the amount you need ($1,000 minimum). Use the cash for any documented education-related current expenses. You can defer principal payments while you are in school and for up to 6 months after graduation and pay interest only monthly payments (minimum $20).

Education Consolidation Loan

Get peace of mind and more money in your monthly budget with the education loan that gives you an edge to managing expenses. Consolidate up to $100,000 of private (non-federal) educational debt into one manageable monthly payment.

Here today...

But what about tomorrow? While hundreds of millions of Americans are enjoying the wonders of our national parks each year, the future of the very things they're coming to see is at risk.

For example, although the Mexican black bear population has been slowly recovering at Big Bend National Park, their ongoing survival is threatened.

Americans for National Parks is a coalition working to preserve these national treasures, and all the priceless experiences they provide. Find out how you can help at **www.americansfornationalparks.org.**

How would you feel if next semester's tuition, books and rent were already paid for?

This internship will make you rich... And you'll earn some money too.

University Directories, the Nation's Largest Publisher of Campus Telephone Directories, is seeking top-notch students to sell yellow page advertising for Universities across the Nation during the summer of 2008. This is a full-time, paid summer internship, open to freshmen, sophomores, juniors, seniors and graduate students who are not in summer school. Interns attend a week-long training seminar on the campus of The University of North Carolina at Chapel Hill. Transportation and accommodations will be provided during training. All interested students should call 1-800-743-5556 to find out when our recruiter will be interviewing on your campus. Visit our website at www.universitydirectories.com for more information about our program.

Student Line-of-Credit
Get approved for the total amount you need for your education—up to $100,000 and then obtain the cash you need when you need it. It is flexible, easy-to-access and allows you to request the amount you need ($1,000 minimum). Use the cash for any documented education-related current expenses. You can defer principal payments while you are in school and for up to 6 months after graduation and pay interest only monthly payments (minimum $20).

Education Consolidation Loan
Get peace of mind and more money in your monthly budget with the education loan that gives you an edge to managing expenses. Consolidate up to $100,000 of private (non-federal) educational debt into one manageable monthly payment.
